

THE ANATOMY OF AWAKENING CODE CHAPTER CHARTS

This is a brief overview of the Higher Five chakras, beginning with the most subtle and descending toward form. The charts outline how each frequency expresses through the system, how the Protective Personality may distort it, and how the field refines through conscious evolution. These are the hidden frequencies of wholeness, and their activation changes everything.

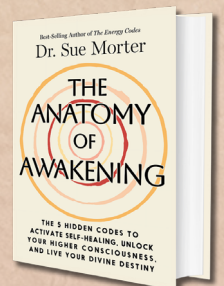

CREATOR CODE (CHAKRA 12)

CODE / FEELING	<i>Creator / A Greater Love</i>
